#### All parents agree and abide to .....

1. All children and adults, while in the gym area, are to follow the directions of staff at all times.
2. Activities are all structured so that the staff can managed the safety of all children and adults. There is to be no free access to equipment. Only equipment that is part of a supervised circuit can be used.
3. Children aged between 4 to 12 years can enter the gym under supervision of onsite gym coaches.
4. No food or drink is allowed in the gym area.
5. No shoes or socks are to be worn in the gym area.
6. There is a viewing area for adults to watch in comfort, while the children are participating in the activities.
7. For the safety of everyone, adults are not permitted to enter the gym unless directly supervising children under the age of 4 years. All staff are trained coaches and know how to look after the safety of the children. This is hard to do if they are supervising adults as well.
8. If your child is a gymnast and wishes to do something that is not part of the structured activities. They will need to talk directly to a staff member for approval. Approval will only be given if the activity can be carried out safely with the appropriate level of supervision.
9. Your Child's safety is very important to us, these rules are designed to ensure that every child in the party has fun and is not injured. If a child is injured while in the gym, please report this to a staff member as soon as it happens. All coaches are trained in first aid.
